Bacon Garth Primary School

Home –School Agreement

At Bacon Garth, we aim to provide a safe, supportive and stimulating place to learn.

We will encourage children to take pleasure in their learning activities, work hard, take a pride in their own and others' achievements and behave appropriately.

The purpose of this Home-School agreement is to highlight how the school and parents can work together in partnership to ensure that all our children become enthusiastic and confident learners and that they are helped to make the progress and achievements of which they are capable. Together, we can ensure that the needs of every child are met.

Please read through the Home-School Agreement with your child.

The school, parent and child should sign the relevant sections of the agreement.
